

# Pilot Skill Set

## CERTIFICATE IV IN FOREST OPERATIONS

### SAFETY

Monitor safety,  
health &  
environment

### MANAGEMENT

Monitor &  
improve forestry  
operations

### LEADERSHIP

Lead effective  
workplace  
relations

The TFFPN has been working with employers and TasTAFE on a 3-unit Pilot Skill Set at Certificate IV Forest Operations Level.

Training delivery is focused on meeting industry needs and will include face-to-face workshops and online delivery.

This training will benefit employers, employees and the forest industry by:

- Upskilling existing employees for leadership and supervisory roles;
- Supporting new employees who may have qualifications or experience outside of forestry.

**Employer support is essential for this initiative. Minimum annual enrolments by industry are required. Register your support here...**
